# ABOUT OUR COMPANY

## Who We Are

For over 5 years we've been helping people take control of their financial future. That's because we've stayed true to our core beliefs, our commitment to community and our approach to investing. Today, we're one of the world's largest Asset management organisations, managing more than \$2.2 trillion, we've helped investors succeed by remaining true to our values and approach.

They include a distinctive way of managing money, an emphasis on research, a long-term view and a recognition of the power of relationships. Helping investors succeed has helped us grow. Today, we're one of the world's largest investment management organisations

## Our Core Beliefs

We believe a financial goal is more than a number to you. It may represent a new home, a small business, a comfortable retirement or a college education. To help you go from dreaming to doing. We believe that investing is the key to wealth creation and securing a better financial future. Especially with governments around the globe retrenching fiscally and people having to become more self-sufficient to provide for their future financial security.

Clients are at the heart of our business: Investing clients' money is why we exist. Our purpose is to provide choices and optimal financial outcomes to clients, whether they are individuals, employers, financial advisers or institutions. We act with integrity. Our clients expect us to apply responsible

# OUR SERVICE

## CRYPTOCURRENCY MINING/TRADING

In the year 2018, we ventured into cryptocurrency mining because the world was headed in that direction and we could not afford to be left behind. We developed our own mining algorithms which gives desired results, join the revolution by allowing us mine your cryptocurrencies for you.

## FOREX

The foreign exchange (FOREX) market offers many advantages. Firstly, it is so large, that no single entity can control and manage the volume of transactions, or the market price. Hence, the margins are thin, and the chances of extreme price drops are low. Also, the volume of trade (about \$5.1 trillion dollars yearly) and low entry barrier allows trading to be done at any scale. With the aid of technology and experienced traders, Middlepoint takes advantage of these margins by putting calls and picking pairs which yield returns on investments.

## AGRICULTURE

We develop and cultivate farmlands for mass production of agricultural produce to help feed the increasing population and make profits.

## REAL ESTATE

We invest in the best Real Estate ETF providers to give our clients the best investment avenue to the global Real Estate market. Real Estate ETFs have a broad exposure to the real estate market, and invest in REITs, Service Firms and Real Estate Development Companies, which historically offer good returns. Some of these Real Estate ETFs of choice include SPDR DOW Jones REIT ETF, Schwab U.S REIT ETF, Dow Jones International Real Estate ETFs, amongst others. We offer access to cutting edge REIT ETFs and global real estate market segments. How it works Bullish-capital.ltd helps you win at every step of the home buying process. Get a head start on new listings: we update listings every week on our platform so you can see them first. Contact Your Middlepoint Agent: Your Middlepoint Agent will learn your needs to find you the right home and help you close deals and get loan approval if needed. Check out homes: Get in right away with our agent or a team member to stay ahead of other buyers. Make an offer that is right for you: Our agents are paid based on your satisfaction so they will tell you when to walk away focus is getting the right homes. Close smoothly and save thousands. Your agent will guide you through the closing process and Middlepoint pays \$1700 on average towards your closing costs. Get started in Real Estate! Allow us show you exactly how and make this easy for you.

## FIXED INCOME INVESTMENTS

Whether your goal is to diversify investments, save, generate passive income or minimise taxes, fixed income investments should constitute an essential part of an investor's portfolio. Fixed Income Investments are designed to generate a specific, predictable level of interest income. Common fixed income investments include bonds, certificates of deposit and preferred stock, offered by governments, corporations and institutions. With Porlaearning, our clients get access to over 45,000 bonds from 165 dealers worldwide, 800+ Mutual fund bonds and over 35 bond ETFs that trade commission free. The benefits of fixed income investments to investors are innumerable. They help smooth the highs and lows of a portfolio, help preserve the capital invested and reduce payable taxes.
